

GALLAGHER BROS (FISH MERCHANTS) LTD

Donegal Road, Killybegs,
Donegal

W: gallagherbros.ie

Gallagher Bros was established by brothers Jack and Phil Gallagher in 1919. As the Irish fishing industry evolved, the company expanded upon its core business of processing and diversified into fishing and aquaculture.

Today, Gallagher Bros produces superior seafood, ranging from frozen pelagic fish and marinated herring, to organic Atlantic salmon.

Throughout the years, it has developed strong relationships with its customer base by providing excellent service and quality frozen fish.

This commitment has enabled Gallagher Bros and Ocean Farm to grow, exporting products to markets across the globe.

Why choose us

Gallagher Bros has been a family-owned company for almost 100 years. Family management means commitment, fast response and flexibility to customer needs.

The company operates its own fishing vessel, ensuring supply of raw material, while its quayside plant facilitates freshness by processing fish as soon as they land.
