Retail

Now over 35 on, Hassetts offer a wide range of products including freshly baked artisan breads, luxury desserts, cakes for all occasions, as well as award winning biscuits, cookies and crackers. Every morning our bakers start the day by using fresh local ingredients to produce the highest quality bread and cakes. Hassetts continues to grow and develop each and every year and their dedication to using fresh, high quality local ingredients never wavers. Currently Hassetts are the leading supplier of confectionery products to the retail and food service industry throughout Ireland.

Their products can now be found in several retail outlets including select SuperValu stores, fine food independent artisan stores, hamper companies and Cork Airport Duty Free Shop. Hassetts also partner with Taste the View Artisan distributor who do an excellent job distributing our products throughout Ireland. Distribution across the nation is now well underway along with exporting to Europe and America.

Why Us

Hassetts create handmade biscuits and crackers using only pure Irish butter, locally sourced ingredients and free from additives. all our products have a 12mt shelf life and are a real treat!

Sustainability

- Hassetts Bakery aim to source the best ingredients available locally and continue to improve its processes in alignment with the company's sustainable future ethos.
- By 2022, Hassetts Bakery aim to have 85% of its ingredients and packaging suppliers with sustainable certificate, from a baseline of 2017.
- As part of the company's packaging target, Hassetts Bakery plan to have 90% of its packaging to be recyclable.
- Hassetts Bakery aim to reduce sugar & saturated fat content in our cracker & cookie range. Trialling is happening on a continuous basis to get this done without compromising on taste.

- Hassetts Bakery have implemented rigorous compositing & recycling system to ensure we are as environmentally friendly as possible.
